## 2024 ELECTIONS

**BACKGROUND:** Historically, FMO has informed our membership when candidates for the Florida Senate or Florida House of Representatives have helped FMO in its legislative efforts. FMO has taken the position that when an incumbent has been helpful with a vote or other assistance, that candidate is aware of our lifestyle and challenges and may be helpful again. Usually FMO has not engaged in "open seat" races unless a candidate is well known to an FMO member who will make the recommendation to support. Party affiliation is not a consideration as the list is developed.

**2024 ELECTION CYCLE:** The results of the primary elections have been tabulated and we turn our attention to the general election. FMO has written a congratulatory letter to those who have been elected. FMO will also reach out to the list of candidates below because they have supported us. These are personal letters signed by our President and Vice President.

**FLORIDA GENERAL ELECTION, November 5<sup>th</sup>:** The list below is intended to provide information. The following candidates will be on the ballot for the General Election and they have supported FMO initiatives. It is important to VOTE for the candidate of your choice!!
